

Ordinate scales are % relative standard deviation and nu-bar.

Abscissa scales are energy (eV).

Correlation Matrix

Ordinate scale is %  
relative standard deviation.

Abscissa scales are energy (eV).

Correlation Matrix

Ordinate scale is %  
relative standard deviation.

Abscissa scales are energy (eV).

Correlation Matrix

Ordinate scales are % relative standard deviation and nu-bar.

Abscissa scales are energy (eV).

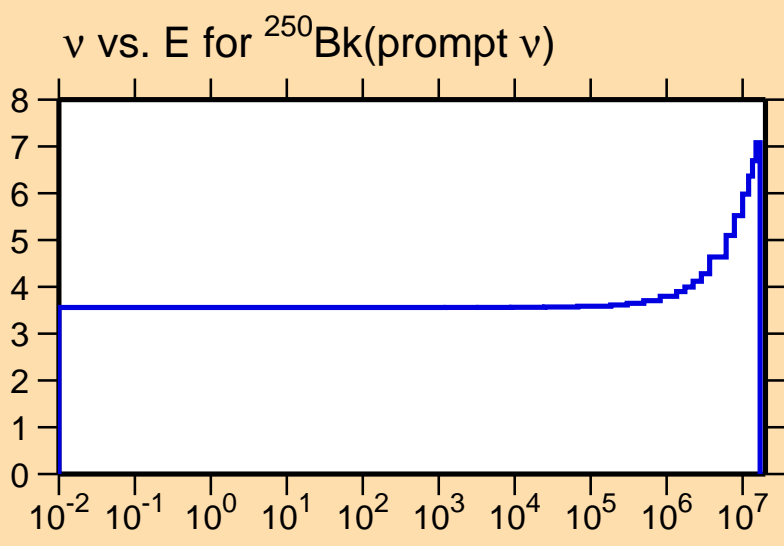

Correlation Matrix

Ordinate scales are % relative standard deviation and nu-bar.

Abscissa scales are energy (eV).
